Group Ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence like this: If a cluster is larger than six sticky notes, try and see if you can break it up into smaller subgroups.

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this plot to determine which ideas are important and which are feasible.

After you collaborate

You can export this mind as an image or pdf to share with members of your company who might not be a part of it.

Quick additions

- Share the mind: Share a sticky note to the main sticky notes board to keep it on the top right. The sticky note will be in the bottom.
- Export the mind: Export a mind map as a PDF or PPT to share it with others. You can also export it as a video or audio.

Keep moving forward
